

**THE REPUBLIC OF UGANDA
UGANDA CANCER INSTITUTE**

**REQUEST FOR EXPRESSIONS OF INTEREST FOR THE PROCUREMENT OF
CONSULTANCY SERVICES TO UNDERTAKE FEASIBILITY STUDY, PRODUCTION OF
DETAILED DESIGNS, AND CONSTRUCTION SUPERVISION FOR RADIOTHERAPY
AND NUCLEAR MEDICINE BUILDING.**

Procurement Reference Number: UCI/CONS /14-15/00001

Introduction:

The Government of the Republic of Uganda through the Uganda Cancer Institute (UCI) has now set aside funds to be used for consultancy services to undertake feasibility study, production of detailed designs, tender documents and construction supervision for Radiotherapy and Nuclear Medicine Building at Uganda Cancer Institute.

GOU now proposes to engage the services of a competent consultancy firm to undertake feasibility study, production of detailed designs, tender documents and construction supervision

Purpose of the Study:

The overall objective of the consultancy, in line with the project objectives, is to assist in the establishment of a functional cancer management system through the construction of a state of the art radiotherapy and nuclear medicine facility to the required international standards.

Scope of Services:

The assignment is to be implemented in two phases as follows: -

Phase 1:

Production of detailed designs, working drawings, bills of quantities and tender documents for the building under the following stages:

- a) Feasibility planning.
- b) Outline (Preliminary) design proposals.
- c) Scheme design.
- d) Detailed design.
- e) Tender action

Phase 2:

This phase involves the construction supervision and management of the contractor during implementation of works as well as monitoring of the defects liability period. Under the following stages

- a) Construction stage
- b) Post-construction and project closure

Selection Criteria:

An eligible firm is expected to have the following:

1. Documentation evidencing the general eligibility of the firm which shall include: a copy of the Bidder's Trading licence of 2014 or equivalent, a copy of the Bidder's Certificate of Registration or equivalent, Bidder's income tax clearance certificate addressed to the Uganda Cancer Institute or equivalent, a copy of the Bidders tax registration or equivalent and registered or notarized Powers of Attorney.
2. Should have carried out 2 similar services of architectural and engineering design ,construction supervision for radiotherapy and nuclear medicine building
3. Should have at least ten (10) years of experience in consulting with construction industry.
4. Should demonstrate capacity in terms human resources such as electrical engineer, Architect, Land and Quantity surveyor, mechanical engineer, environmentalist, civil engineer, IT specialist and structural engineer, Bio Medical Engineer, Medical physicist.

5. Should provide evidence of capital base of UGX 1,600,000,000.

The **Uganda Cancer Institute** now invites eligible consultancy firms to express their interest in providing the consultancy services to undertake feasibility study, production of detailed designs, tender documents and construction supervision for Radiotherapy and Nuclear Medicine Building at Uganda Cancer Institute. Interested consultancy firms must provide information indicating that they are qualified to perform the above services.

Interested consultancy firms may obtain further information at the address below from 8:30am to 4:30pm of any official working day.

Expressions of Interest (**1 Original and 3 Copies**) accompanied by copies of all relevant document must be clearly marked “EXPRESSION OF INTEREST FOR THE PROVISION OF CONSULTANCY SERVICES to undertake feasibility study, production of detailed designs, tender documents and construction supervision for Radiotherapy and Nuclear Medicine Building at Uganda Cancer Institute” on the topside of the envelope must be delivered to the address below by **11:00 am** on the **30th of July 2014**.
